

Residential Programs

Volunteer opportunities in Residential Programs impact our Guests directly and involve 1:1 relationships with them. The volunteers we seek are high-impact, long-term volunteers who can commit to a weekly or biweekly schedule for a minimum of 3 months.

Individuals may apply to volunteer in Residential Programs as:

- Career Tutors
- Teachers
- Mentors
- Shelter Assistants
- Caregivers in Children's Ministry
- Chapel Partners

Volunteer Age Policy & Requirements:

Residential Programs Volunteers must be at least 18 years old and fulfill the requirements listed on the individual volunteer job descriptions.

Because of the 1:1 nature of these positions, applicants will be asked to submit clearances, attend a Residential Programs Volunteer Orientation, and be trained in the desired Volunteer Department.
