

Water Street Mission Job Description

Dentist – Water Street Health Services

Summary: Responsible for examining, diagnosing and providing dental treatment to the WSHS dental patients.

Water Street All Mission staff must be:

- Willing to sign the Water Street Mission Statement of Faith
- A current member or regular attendee of a local church
- Able to fully support the Water Street Mission core values and mission philosophy

Essential Duties:

- Perform dentistry within the scope of a licensed dentist.
- Reflect Biblical principles in working relationships with others
- Provide oversight to the dental clinical staff
- Involved in continuous quality improvement of dental clinic services
- Keep the VP apprised of critical issues
- Update and oversee procedures to ensure compliance with various state, local, and federal regulations
- Oversight of dental students and volunteer teams
- Assure compliance by dental staff and volunteers of policies established by the WSHS
- Oversight of the Electronic Health Record
- Recruit and oversee volunteers, along with their policies and expectations
- Consultation and training for WSM staff with health related issues on campus
- Work with the case managers from WSM in providing dental services to guests (haven't done yet)
- Assist in building and the maintaining of professional relationships within Lancaster dental community.
- Provide oral presentations and represent WSHS at local dental events to promote volunteerism.
- Other duties pertaining to the essential functions to assure the smooth functioning of the dental clinic

Education/Experience

- DDS or DMD degree from an Accredited Dental School
- Licensed to practice dentistry in Pennsylvania and meets all applicable Pennsylvania State Requirements
- Maintain required continuing education credits as required by the state of Pennsylvania
- Share applicable information learned at seminars and meeting with team
- Maintain membership in American Dental Association

Equipment:

- High and slow hand pieces
- Endodontic hand pieces
- Surgical hand pieces
- Cavitron/Prophy-jet
- X-ray equipment
- Digital Schick Sensors
- Computers (Dentrix and Visix Software Program)
- Laboratory Equipment
- Sterilization Equipment

Supervised By: VP of Health Services

Physical Demands: The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this position. While performing the essential functions of this job, the employee is regularly required to stand, walk, or sit, use hands to finger, handle, or feel reach with hands and arms, stoop, or crouch, and is occasionally required to lift and/or move up to 35 pounds. May require occasional weekend or evening availability.

Christian Life: As an employee of Water Street Mission you are an important member of a Christian Missionary organization. All staff members are Christian missionaries and are required from time to time to participate in chapel services, outreach ministries, or counseling sessions. Because of the nature of these types of ministries, it is an absolute necessity that you possess and maintain a testimony or lifestyle that is above reproach. What you do on your own time may seriously affect your ability to perform these types of ministries, which are an important part of your job.
