

JANUARY 2023 Pray for

**WATER STREET
MISSION**

GUESTS

- Praise for a guest growing in his confidence in his faith.
- Praise for the various organizations and businesses who conducted drives during the holidays.
- Pray for our guests who just went through a difficult season to be away from family as they experienced Christmas in a way most of us do not.
- Pray for one of our Emergency Shelter mothers who recently relapsed and chose to go to rehab while her mother takes guardianship of her child. She has been open and honest with us through this journey and truly wants to get better but has so much holding her back. Pray she would grow healthy in mind and spirit and that her and her daughter can have a good relationship as she grows.

- Pray for several guests who are journeying through some deep grief with recent losses of significant family members.
- Pray for freedom from addiction from substance abuse and for several guests who left campus recently to get help through rehab. Pray they would find their true freedom through Christ.
- Pray for residential guests who are preparing to move out of the program and back into the community. Pray for housing options, financial discernment, and employment.
- Pray for a residential guest who has upcoming opportunities with CareerLink to continue his journey outside of Water Street. Pray he grows in a deeper understanding of Jesus and how much he is loved, that this is not based on any of our good works but just that Jesus wants us because He loved us first. Pray he receives a balance of truth and grace in his journey.
- Praise for the surplus of donations we've recently received. Pray they bless those who need them most.
- Praise for progress seen in the lives of coworkers and guests as they continue to journey into deeper relationship with Jesus and each other and embrace all the creativity and challenges that are faced in different seasons of life.

TEEN HAVEN

- Pray for the grow groups taking place at Teen Haven to increase mentorship and engagement among younger teens especially.
- Pray for continued creativity in how to have fun with students, but also how to instill important life and spiritual messages.
