

WATER STREET MISSION

Thank you for helping provide thousands of nutritious, delicious meals for the guests we serve.

As you shop, we encourage you to choose the same quality of items that you would serve your own family. Because our meals are prepared in a commercial kitchen and served to many guests at once, **larger or bulk-sized packages** are especially helpful. To support safe storage and handling, please donate only unopened, unexpired food items and avoid items packaged in glass containers. *Donations may be dropped off at our dock Monday–Friday, 8:00 a.m.–4:00 p.m.*

Thank you for your generosity and for making sure our guests have access to healthy, quality food.
