GUESTS

- Pray for the moms on campus – we’ve had a lot of moms with babies coming to us for shelter recently and they’re juggling so much.
- Pray for a mom who is having a hard time caring for her baby. She recently moved out of Water Street, so she has even less support. Pray for God’s provision and protection.
- Praise for good collaboration with school districts – we’re thankful that kids can stay enrolled in their school district of origin even after their family comes to Water Street.
- Pray for our guests who are struggling with getting employed. Whether it’s due to mental health or physical health, finding employment can be so hard for our guests. Please pray for God’s hand to move.
- Pray for sustainable housing for our guests who are transitioning out of Water Street.
- Pray for guests whose time with us doesn’t end well, as they might need more help than we are able to offer. Pray that God would continue to guide and shepherd them to a safe and loving place, even if it’s not with us.
- Pray for a guest who is returning from rehab. Pray he continues to make progress in making positive changes in his life.
- Pray for healing for a guest who is recovering from pneumonia as well as other health complications.

- Pray for a new guest who is struggling with mental health issues, pray she would be willing to stay engaged with her counseling treatment.
